

# Atlantic Cape Community College Dual Credit

## Middle Township Courses

- Computer Systems
- Algebra 2 Honors
- Pre – Calculus Honors

## To be eligible for dual-credit, students must test into

- College-level English for all courses except for mathematics
- College-level English and college-level mathematics, if a student is seeking credit for a science or economics course
- College-level mathematics only, if a student is seeking credit for a mathematics course

## Students may be exempt from the ACCUPLACER if they meet the following criteria:

- *Currently\** students who have taken the New SAT (beginning March 2016) and scored a minimum of 29 in reading and 28 in mathematics, or
- Students who have taken the SAT test within the last four years (before March 2016) and received a minimum score of 530 in mathematics and a minimum score of 540 in Critical Reading, or
- Students who have taken the ACT test within the last four years and received a mathematics score of 22 and combined English/Reading score of 47, or
- Students who have taken PARCC (valid for 18 months from the time the student graduates) and received a score of 4 or 5 on **Grade 11 English Language Arts and Literacy** and a score of 4 or 5 on the PARCC **Algebra II** test.

Please note: students must meet the testing requirement no later than March 1st to be considered eligible for dual-credit.
