Spring 2017

Middle Township High School recognizes that one of the most important things you can do for yourself during your high school years and beyond is to read. Reading all year around helps students keep their reading and critical thinking skills in shape. Summer reading provides an excellent opportunity for students to stay connected to literature, to enhance literacy skills developed during the school year and to gain knowledge while reading something that captures their imagination that has not been assigned to an entire class. It has been proven over and over that the best way to prepare oneself for tests such as the PSAT and SAT is to read widely. We also know that avid readers become better writers.

With these goals in mind, the English Department, with extensive assistance from our Media Specialist, provides a summer reading list for all students. We are more than willing to answer questions about these books and to recommend specific titles to students. We look forward to discussing summer reading books with the students in the fall.

The utmost care has been taken to prepare lists with a large variety of books appropriate for high school students, but parents are urged to review the titles with their children and make choices as a family. All of the titles are available at the high school library and can be checked out **by June 12<sup>th</sup>**. They are also available in a special section at the Cape May County Library (CMCH branch) or at your local book store.

The 2017 suggested summer reading list is on our school web site ([www.middletpw.k12.nj.us/hs/](http://www.middletpw.k12.nj.us/hs/)). The list is divided into grades 9/10 and grades 11/12. A PowerPoint presentation of the book choices is also posted on the website which gives an overview of each book, along with insight and recommendations from MTHS students and teachers.

Once you select a book from this list, you may then complete an assignment for the grade level you will enter in the fall. This assignment will count as extra credit on your first marking period grade. If you choose to complete this, it is due to your English teacher on the first Monday of school (Monday, September 11<sup>th</sup>).

*Please note that Honors and AP English courses at Middle Township require separate summer reading and assignments. Students have been informed about these assignments.*

Sincerely,

Frank Riggiano  
Middle Township High School Principal

English Supervisor
