Dear Parents/Guardians:

I hope this letter finds you well. We here at Middle Township High School are extremely proud of a recent accomplishment and want to share this news with you. Our faculty and students were recently recognized by the College Board and placed, once again, on the Advanced Placement District Honor Roll. We were the only high school in Cape May County to receive this prestigious award which is given to districts that simultaneously achieved increases in access to Advanced Placement courses for a broader number of students and also maintained or improved the rate at which their AP students earned scores of 3 or higher on an AP Exam.

While we are proud of what we accomplish with all of our students, the AP program offers students the added opportunity to study at an advanced caliber and to earn college credits while they are still in high school. Currently, we offer our students 15 AP courses, which I have listed below.

I hope the rest of your child's school year is successful, and I am looking forward to seeing your child successfully engaged in our classes next year.

AP English Language Composition
AP English Literature and Composition
AP US History
AP US Government-Politics
AP Psychology
AP Biology
AP Chemistry
AP Physics I

AP Calculus
AP Statistics
AP Computer Science Principles
AP Computer Science
AP French Language and Culture
AP Spanish Language and Culture
AP Environmental Science

Just a reminder to please come to our Open House on Wednesday, April 11th 2018 from 6:30pm-8pm at the high school.

Yours in Education,

George West, MTHS Principal
