“SUNSHINE MOMENTS”

SCHOOL: Elementary # 1

PRINCIPAL: Mr. Christian Paskalides

DATE: August 17, 2017

1. Summer cleaning and facilities maintenance are moving along despite many challenges. Sandy, Lisa, Chuck, Luis, and Julie have been working hard to get the school ready for September. They've had to work around several construction/remediation projects throughout the summer, and have done an outstanding job. Two more classrooms have been remodeled, and several other smaller projects have been completed in addition to several referendum projects. Our building will be ready to welcome our students!

### **Sunshine Moments- August, 2017**

- On Thursday, Friday, July 27th, Elementary #2 concluded its' annual "Summer Learning Camp" with a visit from the Mr. Softee ice cream truck. This year over 90 students attended the three week program that focused on providing the students with a preview of the reading and math concepts that they will encounter in the new school year. Parent feedback was very positive and the students appeared to benefit greatly from the program. Many thanks to the entire staff for their commitment toward our students during the summer months.
- A special thank you to the entire custodial staff for a job well-done in preparing our building for the new school year. Everyone demonstrated tremendous teamwork as they cleaned and delivered the needed supplies for the new school year. Great job to all!

**“SUNSHINE MOMENTS”**

**SCHOOL:** Middle School **PRINCIPAL:** Dr. T. Lehman

**DATE:** Thursday, August 17, 2017

Administration would like to extend a job well done to our custodial staff (Frank Stackhouse, Peter Phillips, Crystine Whitaker, & Frank Yacobelli) for getting our classrooms and building spruced up for the upcoming school year. A thank you also to our secretarial staff (Denise Coulter, Thea Major, & Sahkinah Masud) for working to get supplies inventoried, schedules out, and documentation prepared for the start of another exciting school year.

The middle school looks forward to our fall sports season. Along with boys and girls soccer, and field hockey, we are thrilled to kick off our first ever cross country team at the middle school.

A thank you is extended to the board and business administrator, Diane Fox, for budgeting funds to further develop our students' access to advanced technology. At the middle school a portion of our technology funds were allocated to adding several TruTouch interactive flat panel computers to a number of our classrooms. These devices are the latest teaching tools for the modern, connected, interactive classroom.

### **Sunshine Moments August**

On Wednesday, August 23rd at 6:30 pm, Middle Township High School will welcome several members of the incoming freshmen class and their parents to our annual Freshmen Orientation program in the Performing Arts Center. During the program, the students will be introduced to the various programs, activities, and curriculum they will encounter in high school. The students will have an opportunity to gain a better understanding of how to be successful during their educational experience. The students and parents will also be able to follow their schedule to get better acclimated with the building. Several members of our current student body will be on hand to discuss current school programs and extra-curricular activities. This program has been extremely successful and we are looking forward to meeting the class of 2021.

A special thank you goes out to our custodial staff and the support staff for all their efforts and help in preparing the building and programs thus far. There are several changes occurring for the upcoming year due to the changes in the schedule and ongoing building renovations. Everyone has been working very hard in getting the necessary areas ready in addition to dealing with some adverse conditions and things that “pop up” on a daily basis. We would be lost without them, and greatly appreciate their efforts.

### **Sports Update (as of 8/16/17)**

- Fall sports pre-season is officially underway as of Monday, Aug. 14th.
- Most teams begin their scrimmage schedules next week.
- Panthers football opens the season with a first-ever pre-Labor Day game vs Steinert! Kick-off is 6 p.m. Thursday, Aug. 31, at Memorial Field! Hope to see a lot of Panthers fans turnout to cheer on our boys in the home opener!
- We continue to solicit new signs for the Memorial Field fence, which raises funds for awards and other athletic department needs. Any business or organization wishing to purchase a new sign is asked to call Jeanne Donohue at 609-465-1852 ext. 5549.
- Mark your calendars: Fall 2017 sports schedules are available on [www.capeatlanticleague.org](http://www.capeatlanticleague.org).
