Dr. David Salvo, Superintendent of Schools

Dear Community Members:

Beginning September 2009, the Middle Township School District established a partnership and shared vision with members of the Concerned Citizens of Whitesboro. The result was a shared mission of providing a homework club that supports the academic, social, emotional, and recreational needs of Title 1 K-8 Middle Township School District students.

The goal of the program is to provide student support in English language arts and mathematics as well as social and recreational opportunities for a targeted population of Middle Township students. Using certified teachers and community volunteers, students receive homework help, special program opportunities, a hot meal, and organized recreation.

The program is funded through a portion of Middle Township Public Schools' No Child Left Behind (NCLB) Title 1 funds. The funds are used for teaching staff salaries and instructional supplies. The Concerned Citizens of Whitesboro provide the facility, volunteers, and a hot meal. It is our goal is to provide the educational support so that Middle Township School District students can reach their fullest potential.

Sincerely,

Dr. David Salvo
Superintendent of Schools
