2017-18 Middle School (6-8) Title I Parent Letter

August 2017

Dear Parent/Guardian(s):

The Public Schools of Middle Township are committed to supporting the academic needs of its students. We seek to identify students who need additional academic support in English Language Arts (ELA) and/or Mathematics.

If your child is identified as needing extra support, the indicators listed below would be factors used in making that determination. Student schedules will reflect classes geared to providing additional supports. This letter is sent to ALL parents to inform you of the services offered. Not all parents receiving this letter will have their children placed in academic support classes.

The academic support your child receives will be specific to his/her needs. Your child's progress will be monitored regularly and the classroom teacher will keep you informed of their progress.

In order to exit the Tide I program, your child must meet the following criteria:

- Teacher Recommendation and/or I &RS review.
- Review of classroom grades noting increases in marking period averages.
- Review of benchmark and standardized assessment results.

Also, to demonstrate our commitment to your child's education, please review the attached Middle Township Middle School/Parent/Student Compact. We look forward to working in partnership with you to support your child's academic success.

Sincerely,
 Dr. T. Lehman, Principal
