

MTHS Bible Club FOOD to GO Program

As Hunger is a huge problem in our community, and nation, the MTHS BIBLE CLUB has started our "Food to Go" program to help provide our students with food for the weekends, and to help families in crisis. In our school district 49 percent of our students qualify for the Free or Reduced Lunch program, and many of our students go home to less than perfect conditions. Our program has grown rapidly and our goal to raise both money and food donations, in order to provide more meals to our students.

Thank you for your help, and generosity.
