Good Evening Parents and Students:

This is Principal George West with an important message. First of all, I hope this message finds your family doing well as we continue to quarantine, remote learn, and self-distance. Our school district is empathetic of everyone's situation and we will continue to support you through these trying times. Here are a couple of reminders to help us stay on track:

- Continue to check our social media sites, district webpage, and high school webpage for updated school information regarding the Corona Virus. To our senior students, you are in our thoughts, we have begun the process of creating alternate plans for your upcoming ceremonies. Once our plans are in place, we will share them with you and your family. To those of you sending us positive vibes via social media, thank you, it strengthens our school climate and culture. To all of our students, student-athletes, and extra-curricular students: I encourage you to stay positive, work hard, hone your craft, and continue to be committed to your club. For those of you who may still need a chromebook, please reach out to school administration/guidance via email. Also, if you need your child's powerschool log in information, please email Ms. Stacy Konczyk, secretary to the principal. Ms. Konczyk will provide you with the information. As a reminder, staff email addresses can be found on our school website.
- If your child needs to turn in a packet/hard copy to their teacher, we will have bins available at the front entrance of the high school this Friday, May 1st from 7am to 7pm. Please place your child's name, as well as, the teacher's name on the packet and place the packet in the appropriate grade level bin. Administration will make sure that all of the work will be delivered to the teacher as soon as possible.
- If you want to mail your child's work to the school, you can. Again, please make sure your child's name as well as the teacher's name is on the completed work. The mailing address to the high school is: **300 East Atlantic Ave. Cape May Court House NJ 08210.**

As always, we thank you for your flexibility during this difficult time. Our teachers are prepared to work with you and your child during this digital learning experience. Continue to be safe everyone and enjoy the rest of your evening.
