Dear Parent(s)/Guardian(s) of Non-Remote Students Eligible for Transportation:

The Middle Township Board of Education Policy #8600 provides transportation for students who meet the following criteria: The Bus shall transport eligible pupils to and from school and school related activities in accordance with law and bus policy #8600. Transportation shall be provided only to eligible public and nonpublic school pupils, authorized school staff members, and adults serving as approved chaperones.

A. Remote students (elementary and middle school students residing further than two (2) miles from school, high school students residing further than two and half (2 ½) miles from school in compliance with state transportation guidelines.
B. The Bus will consider the provision of transportation to those pupils not otherwise provided transportation by the policy when the Board determines walking conditions to be hazardous.

Should your child(ren) qualify under Criteria B, your child(ren), although non-remote will be scheduled to be transported by the Board of Education.

Should you NOT desire the Board of Education to transport your child(ren), the policy provides the opportunity to parents/guardians of non-remote students to WAIVE the right to transportation for a period of one year. By completing and returning this form (one for each child), you will direct the Board of Education NOT to transport your child(ren) to school during the school year. Once your non-remoted Transportation Waiver(s) has been processed, the Board of Education will NOT plan to transport your child(ren) during the school year providing there has been no change in residency, health status, or life change.
